Bespoke: 705 Naval Air Squadron

Langfords

REF: 6572

Description

Another silver centrepiece for Her Majesty's Forces, specifically 705 Naval Air Squadron. Here we fashioned an accurate sterling silver model of the Aerospatiale Squirrel, a French light utility helicopter. The helicopter was set against a textured ground and mounted on an ebonised base featuring inscription plaques and a detailed casting of the squadron's emblem.

This is an example of a bespoke commission. Get in touch to discuss your own ideas; we can make anything.
