Description

We were asked to make a silver cigarette for a gentleman who was giving up smoking but wanted to hold a fidget-relief replacement item. We produced this satisfyingly heavy and perfect scale model of his favourite brand in solid silver, complete a silver cigarette and the "fumer tue" (smoking kills) government warning. We understand he hasn't touched a real cigarette since!

This is an example of a private bespoke commission. Please get in touch to discuss your own ideas; we can make anything in silver.
