Handmade antique silver tea caddy casket

Robert Frederick Fox

Sold

REF: 7215

Height: 100 mm (3.94")

Width: 120 mm (4.72")

Weight: 392 g

Description

Handmade silver tea caddy from the early George V era and recreated in a casket style first made popular in the late 1700s. This fine silver tea caddy features a rectangular body and cover, the former tapering towards the base which rests upon four claw supports. A delicate detachable cast swing handle and hinged clasp are nicely detailed.

Although made as a tea caddy, the box could be repurposed to hold jewellery or as a desk box.
