Antique & Contemporary Silver

Pair George III silver & Old Sheffield Plate candelabra

John Roberts & Co

Sold

REF: 5269

Height: 550 mm (21.65")

Description

Fine and impressive pair of antique candelabra in the French manner, made popular in France in the early 19th century, featuring shaped circular bases, embossed with fanned leaf and shell decorations. The nozzles and wax drips also have fanned leaf and shell motifs. The pair of candelabra comprise two silver candlesticks fitted with their original detachable Old Sheffield Plate 3-arm, 4-light branches.
