Antique & Contemporary Silver

Pair versatile 19th century style silver candelabra

Barker Ellis

Sold

REF: 6772

Height: 360 mm (14.17")

Description

Based on an early 19th century pattern, this is a pair of silver break-down, three-light, two-branch silver candelabra with removable central flame-shaped snuffers. As can be seen from the images, these candelabra are infinitely adjustable to suit all table settings and occasions.
