Antique & Contemporary Silver

Pair antique George III style silver candlesticks

Thomas Bradbury & Sons

Sold

REF: 2075

Height: 280 mm (11.02")

Description

Fine pair of Edwardian silver candlesticks in the Georgian style that was typical of the late 18th century. The square bases are decorated with acanthus leaves, while the spreading fluted stems taper elegantly and also feature fluted and acanthus leaf decoration. The sconces are removable to aid cleaning.
