Antique & Contemporary Silver

Pair of Victorian horn-shaped silver & glass candlesticks

William Hutton & Sons

£1,850

REF: 7285

Height: 127 mm (5")

Diameter: 98 mm (3.86")

Description

Most unusual and decorative pair of antique horn-shaped candlesticks fitted with silver mounts on crystal bases. The nozzles remove for easy cleaning. Despite being more than 130 years old, this pair of low candlesticks look remarkably modern and would fit into any decorative setting, traditional or contemporary.
