Description

This is a magnificent and rare set of four superb quality George III cast sterling silver candlesticks, decorated with swirling flutes and scroll detail. These silver candlesticks are all hallmarked with the same date and maker and the marks are perfectly crisp, making everything about this suite of antique silver candlesticks outstanding.

Each candlestick bears the crest of the Bennet family with the motto DE BON VOULOIR SERVIR LE ROY - "to serve the king with goodwill", and the sconces are removable to make cleaning easier. Note that these silver candlesticks are not filled; the weight is entirely sterling silver.

This is without doubt one of the finest sets of George III silver candlesticks we have owned.

This set of silver candlesticks is not available to purchase online. Please get in touch if you would like more information or are interested to buy them.
