Antique & Contemporary Silver

7-piece silver-plated antler carving set

Allen & Darwin

Sold

Description

An impressive, antique, seven-piece carving set with polished antler handles and silver plated mounts, all in their original fitted wooden case.

This fine silver-plated carving set comprises: a meat carving knife and fork; game carving knife and fork; a sharpening steel; a fish serving knife and fork - each with nicely hand engraved silver-plated mounts featuring flowers and leaves.

This fine silver-plated antler carving set was retailed by the silversmith George D Rattray in Dundee.
