REF: 5863

Height: 280 mm (11.02")

Weight: 70 g

Description

Lovely antique hand-forged silver basting or serving spoon in the classic Old English pattern.

Originating in the 1750s, Old English pattern with its simple clean lines, showing a single thumbnail to the reverse of the bowl and the pip on the front of the forks and the back of the spoons, is the definitive British flatware pattern and remains the most popular pattern through to the present day.
