De Vecchi

£615

REF: 4705

Width: 165 mm (6.5")

Depth: 120 mm (4.72")

Weight: 165 g

Description

Luminous, iridescent and like transparent eye-catching sparkling drops of water, the silver Drops collection of dishes was designed by Ludovica e Roberto Palomba for De Vecchi in 2004. They look particularly effective when grouped together in their various organic shapes and sizes.
