Large handmade silver photograph frame
British Metallising Co

Sold

REF: 7095

Height: 358 mm (14.09")

Depth: 235 mm (9.25")

Description

Impressive handmade silver photo frame with domed top and engraved with an engine-turned fox-head design within which is a band of engraved diamond pattern. The silver gauge used on this frame is particularly good and the silver frame is fitted with the original its original Bakelite plastic back panel and easel; quite rare.

Portrait style aperture 195mm x 145mm (approx 7¾" x 5¾")

Art Deco was a popular design style in the 1920s and '30s characterised especially by sleek geometric or stylised forms. It represented luxury, glamour, exuberance, and faith in social and technological progress.
