Height: 310 mm (12.2")

Width: 225 mm (8.86")

Description

An exceptional pair of decorative Art Nouveau sterling silver photo frames, featuring a portrait aperture of 7¾" x 5¼" (approx 200mm x 135mm).

Each frame has highly scrolled edges decorated with a border of harebells around the aperture, and the silver frames are mounted on their original wooden backs.

Pairs of photograph frames of this age and era are rare, and this is a particularly fine example of the Art Nouveau genre.
