Height: 115 mm (4.53")

Diameter: 178 mm (7.01")

Weight: 727 g

Description

Mid-20th century sterling silver bowl and cover. This smart plain circular silver bowl sits on a collet foot and is fitted with a slightly domed cover which features a nicely cast, fluted reed pattern finial topped off with a flower.

Although excellent for storing and serving dry snacks, sweets and treats, even caviar on ice; it would be a smart vanity bowl sitting on a dressing table for keeping cotton wool balls.
