Description

Stylish sterling silver serving dish or soup tureen made in the Art Deco style, with simple elegant lines, two lug handles, domed silver finial and a gilded interior. The lid, with a plain domed finial, has a cut-out space for a serving spoon or ladle.

Art Deco was a popular design style throughout Europe in the 1920s and '30s characterised especially by sleek geometric or stylised forms. It represented luxury, glamour, exuberance, and faith in social and technological progress.
