Description

Set of 12 sterling silver underplates, made in a classic early 18th century design, recreated in the late 20th century by famous Italian silversmiths, Buccellati of Milan.

The size of each plate allows the edge to show when placing a china - porcelain dinner plate on top.

This set of sterling silver underplates is not available to purchase online. Please contact us if you would like more information or are interested to buy them.
