Width: 370 mm (14.57")

Depth: 285 mm (11.22")

Weight: 2037 g

Description

An absolutely wonderful example of the classic George II period (1727-1760) silver fruit basket with its finely detailed cast and applied mounts and hand-pierced sides illustrating all the elements that were popular at that time. The piece is in exceptionally good condition and a substantial weight.

The central engraved family coat of arms is that of Lord & Lady Ashburton

This Georgian silver basket is not available to purchase online. Please get in touch if you would like more information or are interested to buy it.
