Description

Incredibly stylish silver cocktail set from the Art Deco period. The set comprises a silver cocktail shaker, six silver Martini glasses and a silver tray fitted with upstands to hold the glasses in place and frame to secure the cocktail shaker.

Art Deco was a popular design style in the 1920s and 1930s characterised especially by sleek geometric or stylised forms. It represented luxury, glamour, exuberance, and faith in social and technological progress. For that reason silver cocktail and barware were popular categories of goods to reflect the style of the time.
