George III Fiddle Thread & Shell silver basting spoon

Paul Storr

Sold

REF: 1022

Width: 310 mm (12.2")

Weight: 188 g

Description

A fine George III silver basting or serving spoon in the frequently sought Fiddle Thread & Shell pattern and made by Royal Silversmith Paul Storr.

Fiddle Thread & Shell is a charming design with the fiddle shape, thread borders and shell motif, while on the reverse shells appear on head and heel. Dating from about 1810 this pattern gained popularity in Colonial America and is one of the most popular Fiddle pattern variants.
