Description

Unusually petite Art Deco sterling silver cocktail shaker made in the USA for Cartier of France. This shaker will hold enough for two martinis or a single long cocktail.

Art Deco was a popular design style in the 1920s and 1930s characterised especially by sleek geometric or stylised forms. It represented luxury, glamour, exuberance, and faith in social and technological progress. For that reason silver cocktail and barware were popular categories of goods to reflect the style of the time.
