REF: 8009

Height: 220 mm (8.66")

Width: 230 mm (9.06")

Depth: 130 mm (5.12")

Description

Fine example of a spirit barrel decanter, mounted in a silver frame and fitted with a silver spigot accompanied by a silver pail. The body of the barrel is finely cut glass which is decorated with oval and diamond patterns and fanned palms.

The decanter is fitted with a silver capped cork stopper that, when removed, allows the spigot (tap) to operate and pour the spirit into the silver pail before decanting to a glass or cocktail shaker.
