Description

Silver model of a Vickers F Gunbus, the world's first operational fighter aircraft, made by Goldsmiths & Silversmiths Company in London 1916.

This exceptional silver model of the Vickers Fighter FB5, was commissioned as a gift to the works manager of Vickers Brooklands at the time, Percy Maxwell Muller. The aeroplane is mounted on its original ebonised presentation plinth featuring a silver plaque.

Dimensions include the wood plinth. The model is 305mm long x 126mm tall (12" x 5")

This silver aeroplane model is not available to purchase online. Please contact us if you would like more information or are interested to buy it.
