REF: 3161

Height: 125 mm (4.92")

Weight: 194 g

Description

Pair of George II style silver pepper shakers recreated in the 1930s. The pierced covers are hand engraved with lattice work around the pierced holes and the pepper shakers are surmounted by elegant finials. Their bodies feature a girdle around the widest part of the body and sit on a spreading foot.

As an alternative, they are excellent for shaking a chocolate cinnamon powder mix over a frothy cappuccino.
