REF: 6919

Height: 180 mm (7.09")

Width: 300 mm (11.81")

Depth: 220 mm (8.66")

Weight: 573 g

Description

A rare and interesting antique serving dish and lid with marine themes. The base has a wave effect border with stylised shell ending and has been fitted with a wooden serving board. The lid is formed as a seashell with bands of hand-chased floral decoration and has a cast handle in the form of coral.

We have not seen another dish quite like it.
