Georgian style silver coffee pot

Goldsmiths & Silversmiths Co

£950

REF: 1917

Height: 250 mm (9.84")

Depth: 200 mm (7.87")

Weight: 648 g

Description

Classic George III style silver coffee pot in an elongated pear-shaped style that would have been fashionable around 1760. This silver coffee pot is hand-raised and is nicely decorated with acanthus leaf and French gadroon decorated mounts, while the lid is surmounted with a beaded finial. The elegant fruitwood handle is probably pear.
