Antique & Contemporary Silver

George II silver cream jug
William Gould

Sold

REF: 2592

Height: 80 mm (3.15")

Depth: 65 mm (2.56")

Weight: 69 g

Description

George II pear-shaped, silver cream jug with sparrow beak spout and mounted on a spreading circular base. The jug is in fine and original condition and would have originally been in use in the late 18th century.
