Antique & Contemporary Silver

Georg Jensen sterling silver sugar spoon

Georg Jensen

Sold

REF: 7576

Width: 140 mm (5.51")

Weight: 33 g

Description

Ornamental design 41 in the Art Nouveau style first designed in 1918, this particular silver sugar spoon was purchased directly from the Copenhagen Georg Jensen shop between 1945 and 1951.

The particular marks on the back of the spoon were only used during this period and not used elsewhere. The lovely leaf shaped bowl with its curling handle and graduated beaded finial make this a small but elegant piece
