Sold

REF: 8243

Height: 155 mm (6.1")

Width: 205 mm (8.07")

Depth: 140 mm (5.51")

Weight: 736 g

Description

Fine antique silver-gilt cup and cover made at the start of the 20th century and faithfully reproduced with hand chased acanthus leaves on the body, cover lid and finial. The style is a recreation of a covered porringer, or feeding bowl; a design first made popular around 1685 during the reign of William III. Of course, today it is perfectly suited to being a trophy cup.
