Set 10 silver golf club cocktail stirrers

Alvin Corporation

Sold

REF: 6936

Width: 215 mm (8.46")

Weight: 280 g

Description

Amusing set of ten American sterling silver (.925) cocktail stirrers in the form of golf clubs, made of cast construction and hand engraved with accurate detail.

Operating in Providence, Alvin Corporation was a separate division of the well-known American silver manufacturer, Gorham.
