Diameter: 75 mm (2.95")

Weight: 172 g

Description

Even though we say it ourselves, this is an excellent beaker with gilded interiors, made by us. With a capacity of half a pint (300ml) this modern silver beaker are suitable for serving water, beer or other beverages. We've kept these silver goblets elegantly simple so that they can be personalised with engraving - letters, crests, images....whatever comes to mind.
