Victorian claret jug
Creswick & Co

Sold

REF: 2106

Height: 280 mm (11.02")

Description

This beautiful antique Victorian claret jug has a hallmarked sterling silver collar and finely engraved glass body with an attractive entwined leaf design. The cast handle is in keeping with this decoration, depicting twisting branches, and the collar has a plain cartouche on either side flanked by acorns and oak leaves. This jug will hold a full bottle of your favourite red wine.
