Antique & Contemporary Silver

Edwardian pierced silver wine bottle coaster

Charles Stuart Harris

Sold

REF: 7216

Height: 147 mm (5.79")

Diameter: 130 mm (5.12")

Description

Edwardian handmade silver wine bottle or decanter coaster in the neoclassical style. The frame is of openwork, hand-pierced construction that has been finely executed as well as having fine hand engraved details highlighting the bellflower garlands. The rim has an applied slant gadroon pattern border and coaster is inset with its original fruitwood base.
