Description

With distinct Art Deco design cues, this French ten-piece silver-plated cocktail or barware set comprises an ice bucket, cocktail shaker and eight beakers. All pieces are decorated with a simple banded pattern around the upper bodies.

Art Deco was a popular design style throughout Europe in the 1920s and '30s characterised especially by sleek geometric or stylised forms. It represented luxury, glamour, exuberance, and faith in social and technological progress. For that reason silver cocktail and barware were popular categories of goods to reflect the style of the time.

Dimensions given are for the ice bucket and cocktail shaker.

Beakers: 60mm (2½") tall & 50mm (2") diameter
