Description

The Thirst Extinguisher is a novelty but highly useable silver-plated cocktail shaker introduced by Asprey in 1932. It is in the form of a period fire extinguisher, the base turning to reveal recipes for eight classic cocktails - Old Fashioned, Whiskey Sour, Side Car, Manhattan, Tom Collins, Dry Martini, Clover Club and Between The Sheets.

The base is stamped with Asprey's A&Co logo and ASPREY LONDON along with the model number.
