Height: 260 mm (10.24")

Depth: 175 mm (6.89")

Description

Contemporary Italian silver-plated water or wine carafe designed by Giulio Iacchetti for De Vecchi in Milan.

Don't underestimate the aesthetic and material research that Italian industrial designer, Giulio Iacchetti, invested in this super-stylish silver-plated water or wine jug with gilded interior. Along with complementary silver-plated wine goblets and water tumblers (available separately), he designed these pieces for De Vecchi for a contemporary and more informal table setting.
