Description

Stunning antique silver wine cooler made by William Bateman II of the renowned Bateman silversmithing family. This melon-shaped cooler with lobed body features fine hand-chased floral and acanthus leaf decoration and the foot is engraved with two unidentified family crests. The removable inner sections are split into two parts, a hallmarked silver upper collar and original Old Sheffield Plate inner liner.

This Victorian silver wine cooler is not available to purchase online. If you are interested in the piece, please get in touch.
