Description

Fine pair of superior quality, early-19th-century, sterling silver wine coolers, each decorated with classic mid-George-III-period Romanesque style vertical fluting, plus gadroon and bead pattern mounts to the rim and foot. The classic reeded handles are mounted and terminate with silver Bacchus mask mounts.

These elegant coolers are fully hallmarked on the bodies and removable rims. The inner liners are the original Old Sheffield Plate fittings. The weight given excludes the silver-plated liners.

Each cooler is finely engraved with armorials and the motto 'VIRTUS EST DEI' (Virtue is from God) for George Townshend Brooke of Haughton Hall.

This pair of sterling silver wine or Champagne coolers is not available to purchase online. Please contact us if you would like more information or are interested to buy them.
