Antique & Contemporary Silver

Mid-century sterling silver & silver-gilt silver candelabrum suite
Stuart Devlin

Sold

REF: 1034

Height: 390 mm (15.35")

Weight: 1711 g

Description

In the magical style that Devlin has made his own, this candelabra holds aloft three silver gilt filigree globes, each of which enrobes a candle. The candelabrum is entirely handmade using a technique whereby Devlin solders silver wire together before gilding it.
