

## Unusual large Edwardian silver bowl

£7,850

James Wakely & Frank Clarke Wheeler

REF: 8245 Height: 210 mm (8.27") Diameter: 310 mm (12.2") Weight: 2362 g

## Description

Large antique sterling silver bowl featuring a wavy rim and housed in an open frame constructed with tubular rails and shaped, scrolled supports. Although the frame rail is a decorative part of the design, it could be used to hang punch or toddy cups as well as a small ladle.
