Hand-forged Kings silver cutlery

George Adams

Sold

Description

This is a heavy quality silver canteen for 12 of King's pattern cutlery made by the premier Victorian flatware maker, George Adams. The service is in excellent condition and each piece is engraved with the crest of demi-lion rampant holding a scallop shell (Reference Fairbairn's Book of Crests 13:10).

A popular English pattern, King's pattern features the honeysuckle flowers and shell motifs. Credited to the silversmithing brothers John and Henry Lias, the pattern dates from around 1820 and was heavily influenced by the decor and ornamentation of the period.

This silver cutlery set comprises:

- 12 table forks
- 12 dessert forks
- 12 tablespoons
- 12 dessert spoons
- 12 teaspoons (6 x 1880)
- 6 egg spoons
- 1 basting spoon
- 2 gravy ladles
- 1 butter knife

Since old knives of cutlery sets rarely survive, this service is completed with 12 pairs of new, dishwasher-safe silver dessert and table knives with stainless steel blades.
