£6,500

Description

A 19th century, 1st standard (950/1000) French silver cutlery set in a pretty scrolling design reminiscent of La Regence pattern. The service is presented in its original lined cases and comprises:

- 12 table forks
- 12 dessert forks
- 12 tablespoons
- 12 dessert spoons
- 12 teaspoons
- 1 pair of sugar tongs

Since antique knives rarely survived we have included 12 modern table knives and 12 modern dessert knives in either La Regence or Louis XVI pattern to complement the set.
