Antique Burmese silver bowl

Sold

REF: 5204

Height: 100 mm (3.94")

Diameter: 185 mm (7.28")

Weight: 570 g

Description

Burmese silver bowl with well defined relief detail of agricultural scenes including an ox drawn plough, field workers picking the crops, an elephant pulling logs, an ox drawn cart transporting the goods and a river boat taking the goods to market. This is a particularly good and heavy example of this type of bowl.
