REF: 7557

Height: 125 mm (4.92")

Width: 150 mm (5.91")

Depth: 100 mm (3.94")

Weight: 268 g

Description

Victorian boat-shaped silver bowl with upturned ends and featuring highly decorative hand chasing incorporating flowers and foliage, lattice and plain panels that cover the entire body of the bowl. The rim is surmounted by an open-work cast border with finely detailed foliage and shells.

This beautiful antique silver bowl is suited to holding fruit and would look splendid filled with flowers as a central table decoration.
