REF: 4950

Height: 135 mm (5.31")

Diameter: 85 mm (3.35")

Description

Handblown antique glass perfume bottle and stopper with pinched sides and covered with a highly decorative openwork silver apron of hand-pierced silver lattice and scrolls. The embossed collar features masks, scrolls and foliage, while the hinged silver cover, with its push button opening mechanism, depicts a scene of ancient classical figures.
