Weight: 125 g

Description

This lovely antique Victorian silver photo frame, of a particularly good quality and a substantial gauge of silver, will hold two images in portrait style, each 5" x 3½" (130mm x 90mm). The frame features a generous rope twist border and is decorated with sloped tapering fluting around its entire surface. An empty shield sits at the top of the frame and could be engraved in order to personalise the piece.
