Description

With this contemporary spice grinder, we have taken an iconic and functional design and wrapped it in sterling silver to create a luxury version for the contemporary table. This grinder features a simple lift-off cover and the best modern ceramic grinding movement around.

The salt and pepper mills feature a fully adjustable, ceramic CrushGrind® mechanism which delivers unrivalled levels of precision and will grind dried herbs and spices expertly. Of course, it is multi-functional and will also grind rock salt and peppercorns.
