Height: 70 mm (2.76")

Width: 215 mm (8.46")

Depth: 135 mm (5.31")

Weight: 200 g

Description

Most unusual sterling silver brandy warmer; impressive in size and quality. The silver brandy or sauce warmer is finely decorated and resting on acanthus leaf and scroll supports, and features an openwork, tri-form-leaf pattern support for the wood handle. The applied decorative border features flower heads and inverted beading.

Useful all year round for keeping sauces or gravy warm, and comes into its own at Christmas, warming the brandy for punch or Christmas pudding!
