Small collapsible antique silver beaker

Sampson Mordan & Co

Sold

REF: 7570

Height: 50 mm (1.97")

Diameter: 40 mm (1.57")

Weight: 56 g

Description

Late Victorian collapsible silver beaker with a chained silver cover. Finely made, this example works very well and does not leak, as many others do!

Sampson Mordan were premier specialist makers of beautifully made small objects from pens to menu holders. Everything they produced was of the highest quality and very well engineered.
