Description

Impressive, modern brace of lifesize silver pheasants with gilded beaks, cast and hand-chased in fine and lifelike detail. Made in the traditional manner with cast bodies assembled in sections and then hand chased and polished, these two fine silver birds are of excellent quality in every respect and substantial in weight.

Dimensions given are for the pheasant cock. The pheasant hen is 420mm (16½") long, 265mm (10½") tall and the weight shown is for both birds.

This pair of silver pheasants is not available to purchase online. Please get in touch if you would like more information or are interested to buy it.
