Richard Comyns

£5,850

REF: 5906

Height: 105 mm (4.13")

Width: 140 mm (5.51")

Weight: 815 g

Description

Loved and revered, elephants are a traditional symbol of divinity and royalty in India, and this is an excellent, heavy-quality, cast silver model of a standing Indian or Asian elephant. The tusks are brightly polished for an attractive contrast with the carefully and realistically textured body.

For centuries, India has regarded the elephant, as its cultural symbol and Lord Ganesha, the highly revered Hindu god, is said to be a remover of obstacles and a provider of fortune and good luck.
